Kit Carson County Carousel

For just 25¢ you can ride this historic carousel

The historic Kit Carson County Carousel was built in 1905 by the Philadelphia Toboggan Company for Elitch Gardens in Denver. The Kit Carson County Commissioners purchased the Carousel in 1928 for an extravagant \$1,200, a move which ultimately lost them their jobs. The Carousel was completely restored to its original condition for Colorado's Centennial in 1976.

The Carousel features 46 hand carved animals that have been restored to their original paint. The animals have intricate carvings, detailed coats, real antlers on the deer and real horse tails on many of the horses.

Hand-painted decorations can be found on each of the carousel figures and saddle trappings are reminiscent of those used on cavalry mounts. There are 4 chariots to accommodate riders who would rather not climb onto an animal. The back of each chariot has an original painted landscape and the 45 original oil paintings have also been restored. Music is provided by a 1912 Wurlitzer Monster Military Band Organ.

The Carousel is housed in the original 1928 building. A 12-sided cupola sits atop the building and when all 12 doors are open, the building is completely open. The Carousel is open from Memorial Day to Labor Day from 11 AM to 6 PM daily, rides are only 25¢, admission to museum \$1. Old Town Museum provides horse drawn wagon rides to the Carousel on weekends during the summer months.

From Labor Day to Memorial Day, Old Town also provides tours and rides of the Carousel for groups who schedule tours of the Museum and Carousel in advance.

City Parks

There are several great parks located throughout Burlington for your enjoyment while you are here

City/Outback Park, located on 15th St., was built in the early 1990's through community involvement, and is a great place to take the family and relax in the shade.

Tower Park, located on Genessee Street east of Lincoln Street provides picnic tables and a large grassy area to play on.

Parmer Park, located on Mike Lounge Drive across from the swimming pool, offers a variety of playground equipment and picnic areas. Through the generosity of a local family and the participation of the local Rotary Club, the park was enlarged in 2005 and equipped with new rest room facilities as well as a new picnic pavilion that will accommodate large groups. In 2012, renovations were made to the park including updated equipment, a splash park, and an amphitheater.

Sacred Heart Academy

A traditional Catholic school established in August 2004 and operated by the religious sisters at Immaculate Conception Catholic Church. Students from Burlington and the surrounding area receive a complete education — not only in academics, but most importantly, an education that builds character and virtue. The mission of Sacred Heart Academy is to form our youth into mature, responsible Catholic men and women who will be a credit to both the Church and society. The children enjoy singing together in choir during the Holy Sacrifice of the Mass especially on Sundays and also during their school programs performed throughout the year.
